It is operated under Friends of Children with Special Needs (www.fcsn1996.org) with the goal of offering an employment platform for individuals with special needs to learn and practice barista tasks, sharpen customer skills, build confidence, and eventually find jobs in the community.

All elements of Friends Coffee & Tea encompass FCSN's mission of finding hope, respect and support through integrated community involvement.

Your support helps us fulfill dreams of enriching the lives of individuals with special needs and building brighter futures for them!
